## Globex Vends McNeely Lithium Property

**Rouyn-Noranda, Québec, Canada. GLOBEX MINING ENTERPRISES INC. (GMX – Toronto Stock Exchange, G1MN – Frankfurt, Stuttgart, Berlin, Munich, Tradegate, Lang & Schwarz, L&S Exchange, TTM Zone, Stock Exchanges and GLBXF – OTCQX International in the US) is pleased to inform shareholders that it has sold the McNeely Lithium project consisting of 66 mining claims in La Corne, Landrienne and Figury townships, Quebec to First Energy Metals Limited (FE-CSE). The claims have been sold for a single cash payment of \$250,000 and 2,000,000 First Energy Metals shares (currently \$0.30 a share). Globex will retain a 3% Gross Metal Royalty on all production from the claims.**

Globex’s McNeely claims extend westward from the Quebec Lithium Mine property intermittently in several claim blocks over a strike length of approximately 18 kilometres, and includes several spodumene showings and historical mineralized drill holes. A large number of Globex’s claims surround and are in close proximity to the Augustus Lithium occurrence where First Energy Metals recently reported a drill hole grading 1.17% Li<sub>2</sub>O over a core length of 19 metres (see First Energy Metals [press release dated June 1, 2021](#)).

Globex is pleased to vend the McNeely property to First Energy Metals Limited an active exploration neighbor and looks forward to future drill results from their ongoing exploration program.

This press release was written by Jack Stoch, Geo., President and CEO of Globex in his capacity as a Qualified Person (Q.P.) under NI 43-101.
