## Globex Mining Enterprises Inc. Announces Normal Course Issuer Bid

Rouyn-Noranda, Québec, Canada. GLOBEX MINING ENTERPRISES INC. (GMX – Toronto Stock Exchange, G1MN – Frankfurt, Stuttgart, Berlin, Munich, Tradegate, Lang & Schwarz Stock Exchanges and GLBXF – OTCQX International) is pleased to announce that the Toronto Stock Exchange (“TSX”) has approved Globex’s normal course issuer bid (“NCIB”). Under the NCIB, Globex will be entitled to repurchase for cancellation up to 1,000,000 common shares, representing 2.15% of Globex’s “public float” as of March 7, 2018, over a twelve-month period starting on March 12, 2018 and ending on March 11, 2019. The purchases by Globex will be effected through the facilities of the TSX and on other alternative trading systems in Canada, and will be made at the market price of the shares at the time of the purchase. Globex has 51,053,577 common shares issued and outstanding as of March 7, 2018, of which 46,594,486 shares constitute the “public float”.

During the most recently completed six months, the average daily trading volume for Globex’s common shares on the TSX was 38,023 shares. Consequently, under the policies of the TSX, Globex will have the right to repurchase during any one trading day a maximum of 9,505 common shares, representing 25% of the average daily trading volume. In addition, Globex may make, once per calendar week, a block purchase (as such term is defined in the TSX Company Manual) of common shares not directly or indirectly owned by insiders of Globex, in accordance with the policies of the TSX.

Globex intends to acquire the common shares because it believes that the repurchase of common shares at certain market prices is beneficial to Globex and its shareholders. Globex intends to make any purchases on an opportunistic basis, taking share price and other considerations into account.

Any purchases made pursuant to the NCIB will be made in accordance with the requirements of the TSX. Except for exempt offers, Globex will make no purchases of common shares other than open market purchases during the period of the NCIB. Globex has not repurchased any shares during the twelve months ended February 28, 2018.
