Globex Expands its IR Efforts

Rouyn-Noranda, Quebec, Canada. GLOBEX MINING ENTERPRISES INC. (GMX – Toronto Stock Exchange, G1M – Frankfurt, Stuttgart, Berlin, Munich, Xetra Stock Exchanges and GLBXF – OTCQX International) is pleased to inform shareholders that it has signed with Stockhouse Publishing Limited, Canada’s #1 financial user community and largest natural resource community with over 760,000 unique users and over 55 million page views per month.

The objective of the agreement is to build and execute an effective online IR strategy to attract new market participants by informing them about Globex, its assets and potential.

This engagement is in addition to our ongoing relationships with Renmark Financial Communications and Proactiveinvestors Canada Limited which distribute our news to the market place and arrange opportunities for Globex to directly interact with investors and the brokerage community.

Globex recently updated its web site and invites shareholders and investors to visit. It is still a work in progress due to the huge number of assets owned by Globex and the large number of options, royalties and ongoing exploration programs.

We Seek Safe Harbour.
