**Notes on Mineral Resources:** These values are estimates based on bests available information as of May 6, 2026. The reader is advised to follow the provided reference links to find the source and descriptions of the original estimates and the risks associated with the individual projects. Globex cannot verify or take responsibility for the accuracy of the estimates provided here. Inferred Resources have not demonstrated economic viability, and there is no certainty that they can be upgraded to reserves. Data is reported to significant figures that reflect appropriate precision and may not sum precisely due to rounding. Stated Resources do not reflect Globex Mining Enterprises Inc.'s (Globex) estimated attributable coverage except for where the table states Globex owns 100% of the property.
